

1. Record Nr.	UNINA9910157530303321
Autore	Sreedhar G.
Titolo	Web data mining and the development of knowledge-based decision support systems // G. Sreedhar [editor]
Pubbl/distr/stampa	Hershey, Pennsylvania : , : IGI Global, , 2017 ©2017
ISBN	9781522518785 9781522518778
Descrizione fisica	PDFs (409 pages) : illustrations
Collana	Advances in Data Mining and Database Management (ADMMDM) Book Series, ; ; 2327-199X
Disciplina	658.403
Soggetti	Decision support systems Data mining Web databases
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Development of efficient decision support system using web data mining / G. Sreedhar, A. Anandaraja Chari -- Improving decision-making in a business simulator using TOPSIS methodology for the establishment of reactive stratagem / Carlos Alberto Ochoa Ortiz Zezzatti -- DSS for web mining using recommendation system / Varaprasad Rao M, Vishnu Murthy G -- Mastering intelligent decision support systems in enterprise information management / Kijpokin Kasemsap -- Web data mining in education: decision support by learning analytics with Bloom's taxonomy / Wing Shui Ng -- Discover patterns from web-based dataset / Raghvendra Kumar, Priyanka Pandey, Prasant Kumar Pattnaik -- Web usage mining: improving the performance of web-based application through web mining / Sathiyamoorthi V -- Multi-agent-based information retrieval system using information scent in query log mining for effective web search / Suruchi Chawla -- Knowledge representation technologies using semantic web / Vudattu Kiran Kumar -- Discovering knowledge hidden in big data from machine-learning techniques / Adiraju Prashantha Rao -- Knowledge-based decision support system for analyzing the relevancies of various attributes based on their characteristics /

Madana Kumar Reddy C -- Website topology modification with hotlinks using mined webusage knowledge / Thendral Puyalnithi, Madhu Viswanatham V -- Mining on social media / Ambati Venkata Krishna Prasad, Venkata Naresh Mandhala --
Some other applications in community graph under the preview of social graph using graph-mining techniques / Bapuji Rao, Sasmita Mishra, Saroja Nanda Mishra -- Social network web mining: web mining techniques for online social network analysis / Balamurugan Balusamy [and 2 others] -- Data mining and data warehousing: introduction to data mining and data warehousing / Sathiyamoorthi V -- Text mining: current trends and applications / Kijpokin Kasemsap.

Sommario/riassunto

"[This book] s a key reference source on decision support systems in view of end user accessibility and identifies methods for extraction and analysis of useful information from web documents. Featuring extensive coverage across a range of relevant perspectives and topics, such as semantic web, machine learning, and expert systems, this book is ideally designed for web developers, internet users, online application developers, researchers, and faculty"--Provided by publisher.
