| Sommario/riassunto      | <p>One minute I'm lying on the floor reading a book, the next minute I've got my granny's teeth clamped to my bum. Yoweeeeee! But that's only the start of the weird stuff! You just wait and see. Soon, Billy is feeling grumpy, and his hair has turned grey. Plus he's wearing VERY big pants! It can only mean one thing - TA - DA - DAR - Billy is a weregranny!</p> <p>Written by celebrated children's champion, Tommy Donbavand, this is one book in his series of colour illustrated, chapter-based readers which kids won't be able to resist. So make sure to check them all out (the books that is, not Tommy's actual shorts). This title is published by Franklin Watts EDGE, which produces a range of books to get kids reading with confidence. EDGE - for books kids can't put down.</p> |
