Sommario/riassunto	<p>Sword and Silk: Book Two  After a harrowing seventeen-year separation, Hirata Morimasa leaves his home and secure future to search for his childhood friend, Sho. Blinded by illness when they were children, Sho was sent away, apprenticed to a blind masseur (an anma) to learn his trade, and then disappeared. Desperate to find the other half of his heart and soul, Hirata willingly sacrifices the prestige and security of his father's dojo to find him. When an anma who looks exactly like Sho crosses his path in front of a gambling parlor one day, the man flatly denies he is Sho. Hirata knows better and is determined to get the truth... and to get back the friend he'd lost. However, even though Hirata knows in his bones this man is his soul mate, Sho has changed in ways Hirata could not have prepared for in his wildest imaginings, changes that could continue to keep them apart... forever.</p> <p>A Timeless Dreams title: While reaction to same-sex relationships throughout time and across cultures has not always been positive, these stories celebrate M/M love in a manner that may address, minimize, or ignore historical stigma.</p>
