Sommario/riassunto	<p>Have you ever woken up on Christmas morning to find a special gift for you under the tree? It's a wonder Santa has time to make so many toys for so many kids. Luckily, he has plenty of help from the elves and elfbots. Wait....you've never heard of Elfbots? This is the story of Santa's greatest invention ever, robots that are designed to make the world's greatest toys. But what happens when the toymaker wants to be the toy? "As someone who appreciates the value of a well-motivated, clever robot (or two), I know you will find the wonderful Elfbots as enchanting as I did. Christmas just got a whole lot merrier."--Mark Hamill. Narrated by Mark Hamill (Star Wars), Jane Lynch (Glee); original music by Kenny G.</p>
