Sommario/riassunto	<p>"Look, Fakey-Locks, I said I'd go and I'm going, okay? Now get the flip off me before I pluck your stupid bullshit extension eyelashes out one at a time!" How Nina Got Her Fang Back, is Book 13 of the Accidentally Paranormal series by USA Today bestselling romantic comedy author Dakota Cassidy. A hilarious tale about ex-vampire Nina, a witch ...um doctor... in charge of helping Nina cope, and the crew of OOPS as they are dragged into danger...again! It's been a while since Nina Statleon-ex-coffin lover, current chicken wing lover-lost her vampire mojo during a particularly brutal OOPS case. Her friends Wanda and Marty are worried. Nina clearly hasn't dealt with the emotional fallout caused by losing one's immortality. She's got issues. Big issues. And it's time to call in the Big Gun-paranormal psychologist January Malone. Her friends will get Nina to the therapist's office, even if they have to lure her with the last bag of Cheetos in Manhattan. Of course, the girls couldn't possibly know that Doctor Malone has an agenda. A forced agenda involving blackmail, which may just save one life...while ending another. It goes against everything January, a white witch, has ever believed in, personally and professionally. But the alternative means putting her trust in a foul-mouthed ex-vampire, her werewolf and halvesie friends, a demon, a zombie, a bear and their assorted mates... Yikes! How Nina Got Her Fang Back is a paranormal romantic comedy and contains vampires, shifters, witches, supernatural creatures, and</p>

LOL fun.
