Sommario/riassunto	<p>"It's nice to meet you, Mr...er, stage, screen, and Japanese film star, but party...and thirty-two years, actually almost thirty-three now. And um, stuff...to do... So, talk later. I mean, you and me. M'kay? Gotta go."</p> <p>Ebenezer Falls, sleepy fishing village or murder central? The game's afoot in <i>Dewitched</i> from USA Today bestselling cozy mystery author Dakota Cassidy as Stevie, the powerless witch (or is she?), her bat familiar Belfry, and resident British ghost spy Winterbottom, hunt for a killer. Book 3 of the <i>Witchless In Seattle</i> Mysteries is a thrilling whodunit, and this time, it's personal!! I, ex-witch Stevie Cartwright, do hereby solemnly swear to avoid future murder-mystery shenanigans, nosiness, tomfoolery, and any further crazy killer inflicted pain to my person, so help me goddess...Hah! Like I could help myself? But after busting my butt (literally!) on the last murder case in my beloved hometown of Ebenezer Falls, WA, I could use a nice long break. I was determined to take the time to enjoy the company of my bat familiar, Belfry; my British ex-spy ghost, Win; our adorable St. Bernard rescue, Whiskey; and of course our gorgeous home, Mayhem Manor, freshly and lovingly renovated. Until shazam--a dead man invites himself to our fancy housewarming party! When my mother's husband number five ends up deep-sixed in my parlor, it's not like I can't NOT try to solve this mystery, right? Especially if I ever want Mom to leave so I can get back to my semi-peaceful existence. But our work is definitely cut</p>

out for us this time. With Belfry's rascally bat family visiting and the two hundred or so guests, acrobats, mimes, cooks, catering staff, orchestra members--and a surprise guest who throws me for a loop in the house--suspects sure aren't a problem. Looks like it's time for another spirit-filled, witchless adventure in Ebenezer Falls! This cozy mystery has a complete cast of oddball characters from witches to ghosts and bats to psychics. Witchless In Seattle Mysteries is a spin-off of Dakota Cassidy's bestselling paranormal romance series, A Paris, Texas Romance.
