Sommario/riassunto	Everyone wants to have more money and most of us work hard to earn a living. However, there are some among us who complain that their money is not enough but instead of earning their money, they take the easy way and conspire to cheat and con others to achieve their means. Cases featured in this book include the owner of a online blog shop who offered bargain goods that did not exist; the insurance agent who sold her millionaire client a non-existent premium policy; the four top chefs from luxury hotels charged with corruption in a S1 million kickback case; the top surgeon who heavily overchar
