Lingua di pubblicazione	Inglese
Formato	Musica
Livello bibliografico	Monografia
Sommario/riassunto	Robert Frost's second book of poetry. Sometimes puckishly humorous, sometimes elegiac, sometimes terrifying, these poems show the young artist using his new-found voice to explore a world - a village in New Hampshire - that meant everything to him. This volume includes some of his best-known and best-loved works, such as "The Road Not Taken", "Out! Out!", "Birches", and "The Hill-wife". It also includes one of his poem-dramas, "Snow."
