   Sommario/riassunto   From Cleo Coyle, the New York Times bestselling author of Dead to
                        the Last Drop , comes a gripping new entry in the Coffeehouse Mystery
                        series.   The perfect proposal leads to a chilling cold case ...
                        Coffeehouse manager Clare Cosi sheds tears of joy when her NYPD
                        detective boyfriend surprises her with an engagement ring. But her
                        bridal bliss is put on hold when a chilling mystery brings a wave of
                        deadly danger to those she holds dear. After everything Clare and Mike
                        have been through, they deserve a little bit of happily ever after. So
                        when Mike decides to put a ring on Clare's finger, Clare's eccentric
                        octogenarian employer is there to help. She donates the perfect coffee-
                        colored diamonds to include in the setting and the name of a world-
                        famous jeweler who happens to be an old family friend. But while the
                        engagement is steeped in perfection, the celebration is not long lived.
                        First, a grim-faced attorney interrupts their party with a mysterious
                        letter bequeathing a strange hidden treasure to Clare's daughter. Next,
                        the renowned jeweler who designed Clare's ring is found poisoned in
                        his shop. Both events appear to be connected to a cold-case murder
                        involving a sunken ship, an Italian curse, a suspiciously charming jewel
                        thief, and a shocking family secret. With deadly trouble brewing, Clare
                        must track down clues in some of New York's most secret places before
                        an old vendetta starts producing fresh corpses.   With recipes to die for,
                        including how to make cold brew coffee at home!
