Sommario/riassunto	<p>There be dragons!In a world of hunters and the hunted, things are about to get hot . . . really hot! Scorched Desire from awarding winning, Australian paranormal romance author Lexxie Couper, is Book 4 in her bestselling Fire Mates series. Take flight with the dragons of Australia, and discover what dark secrets await in this thrilling erotic paranormal romance. Jilly Parker knows three things to be true. One, her Master's Degree in Ancient Norse mythology is never getting her a job. Or laid.Two, she's never going to be a size 4, let alone a size 2, no matter how many miles she runs every day. And three, the hot hunk covered in tats who rides past her apartment every morning on his Harley is never going to screech to a halt, dismount and haul her into his arms, no matter how much she wishes he would. But hey, a girl can dream, right? Except one day . . . Harley driving, tat covered, hot hunk does . . . stop! And suddenly, Jilly discovers herself in a world of dragon shifters, carnal lust, and fated lovers. A world that leaves her breathless and aching for more. This erotic paranormal suspense contains dragons, shapeshifters, and adult themes. Scorched Desire is not intended for readers under the age of 18.
