Sommario/riassunto	<p>Born December 25, Noel Beebe is tired of having his birthday overshadowed by all things Christmas. While looking for love on social media, he comes across a prospective new beau just in time to celebrate the Big 3-0, someone who encourages him to take back his day and say thumbs down to Christmas On a trip to the Big Apple, Noel does just that, flipping off the Rockefeller Center tree and demanding his coffee in a nondecorative paper cup as a fun birthday prank. His act of defiance is caught on video and soon goes viral, leading to a backlash all over the Twitterverse, Internet, and TV. Suddenly what Noel thought would be his best birthday-and even Christmas-yet is shaping up to be his worst. Can his family and his potential boyfriend prove to the world that Noel isn't the Scrooge he's been labeled?A story from the Dreamspinner Press 2016 Advent Calendar "Bah Humbug."</p>
