Sommario/riassunto	<p>Ryder Waites will do anything to keep the tiny town of Gallows Grove, Kentucky, from vanishing off the map--even sell his family's whiskey recipe to Bluegrass Bourbon in Lexington. Hopeful that the larger company can provide necessary improvements to the distillery, Ryder aims ultimately to get Gallows Grove on the Bourbon Trail... and bring in much-needed tourism revenue. But to keep producing Hanged Man Bourbon in Gallows Grove, he'll have to convince company liaison, unbearably stuffy and seriously hot Adam Keller, that he's worth the investment. Adam comes from an old-money family, but he's determined to make his own way in the world. When he's sent to Gallows Grove, he questions the life choices that led him to a rented room in a funeral home in a town full of macabre-themed businesses. And he doesn't know what to make of Ryder, the descendant of bootleggers, who's on a mission to save his strange town from extinction. When Adam and Ryder put aside their initial mistrust, the results are as smooth as good whiskey. But after Adam's assignment ends, he'll have to decide if small-town life and a future with Ryder are to his taste. States of Love: Stories of romance that span every corner of the United States.</p>
