Sommario/riassunto	<p>Can love be found in seven minutes? Heavy metal singer Stone Manson never acknowledged his attraction to men. But when he meets sexy cross-dresser Devon at a party and spends Seven Minutes in Heaven with him, he can't deny his reaction. His confusion leads him to mess up--big time--with Devon, but after some soul-searching, Stone decides to do whatever it takes to show Devon he's worth the risk. Devon's got a thing for hot, tattooed rock stars--just not the sexually conflicted and closeted ones. Stone's persistence has Devon warming up to the idea of the singer in his bed, and maybe even in his life, until a threat emerges from Devon's past. Now it's Devon's turn to trust Stone or both their lives could be in jeopardy.</p>
