Sommario/riassunto	<p>Stories drive life. Sometimes life is good; sometimes life is bad. But it's the nature of our community that in the aftermath of an act of hatred, we respond with love. Because darkness cannot exist in the presence of light. Cruelty cannot stand against compassion. Negativity will never overcome hope. To show our support for those affected by the Orlando shooting, our authors, editors, artists, and staff have volunteered their talents to create this anthology. All proceeds will be donated to LGBT organizations in central Florida. Join us as we celebrate the triumph of love over every obstacle.</p> <p>Jon Keys--A Single Night  Alicia Nordwell--About Best Friends</p> <p>font-family: Verdana, Arial, Helvetica, sans-serif;  font-size: 11px; font-style: normal; font-variant-ligatures: normal;  font-variant-caps: normal; font-weight: normal; letter-spacing:  normal; orphans: 2; text-align: start; text-transform: none; white-  space: normal; widows: 2; wor</p>
