

1. Record Nr.	UNINA9910157757703321
Autore	Evans E. Everett
Titolo	Man of Many Minds
Pubbl/distr/stampa	Waipu : , : Pickle Partners Publishing, , 2007 ©2007
ISBN	1-78720-314-X
Edizione	[1st ed.]
Descrizione fisica	1 online resource (194 p.)
Soggetti	Science fiction Interstellar travel
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	<p>AN ENTIRE GALAXY WAS IN DANGER!Somewhere, somehow, the first moves had been made--there was a pattern beginning to emerge. Someone, or something, was on the way to wresting supreme power over all the planets currently controlled by Mankind--and the Interstellar Corps seemed helpless to meet this threat. No "normal" man could hope to penetrate the vast conspiracy of it all. But...the Corps did have one man who wasn't normal, a man who possessed a very strange weapon.....his mind. "Exciting...strange...extraordinary!"These were just a few of the words used to describe "Man of Many Minds" when it was released back in 1953. It's an amazing tale that can be aptly described as one of the most unusual science fiction adventures ever published.</p>
