Sommario/riassunto	A Flesh novel The last thing Gabe Vargas wants to do after nearly dying is to leave his young son. But that's exactly what FBI Agent Drew Bradley is asking him to do. According to Drew, the only way to protect Gabe and find his wife's killer is to fake Gabe's death. With an already established adversarial relationship, protecting a hothead like Gabe isn't exactly a picnic for Drew either. But Drew lets his guard down and a desire for Gabe leaves him confused. Before the crime can be solved, Drew will have to risk more than his life. He'll also have to risk his heart.
