Sommario/riassunto	<p>Since the loss of his lively, charming wife to cancer six years ago, minister Paul Tobit has been operating on autopilot, performing his religious duties by rote. Everything changes the day he enters the church lobby and encounters a radiant, luminous being lit from behind, breathtakingly beautiful and glowing with life. An angel. For a moment Paul is so moved by his vision that he is tempted to fall on his knees and pray. Even after he regains his focus and realizes he simply met a flesh-and-blood young man, Paul cannot shake his sense of awe and wonder. He feels an instant and overwhelming attraction for the young man, which puzzles him even as it fills his thoughts and fires his feelings. Paul has no doubt that God has spoken to him through this vision, and Paul must determine what God is calling him to do. Thus begins a journey that will inspire Paul's ministry but put him at odds with his church as he is forced to examine his deeply held beliefs and assumptions about himself, his community, and the nature of love.</p>
