Sommario/riassunto	Award-winning teen poet Carter Rogers has made a lot of bad choices in her life, one of which led to losing her hand to frostbite. After a failed suicide attempt, Carter wakes up and takes a hard look at the person she's become. As her disappointment over her botched effort fades, she begins to accept herself and look forward. Righting past wrongs won't be easy, but armed with the support of her mother and her friends, and with a new perspective on life, Carter sets out to fix her relationships with the people she cares about and the world of poetry.
