Sommario/riassunto	"Alice's younger brother, Henry is sent to a bizarre world he never really believed existed. His best chance to get home is the Mad Hatter, who is remarkably stranger, if more handsome, fellow than Henry expects. hatter's only goal is to keep his head firmly attached to his body, and his best chance for doing it is to bring 'Boy Alice' to the Red Queen as ordered. It's dislike at first sight for Henry and Hatter, but since circumstances force them to remain together, they try to abide each other. During their travels and adventures through Wonderland, they grudgingly forge a friendship that tests their values and established beliefs. Learning to tolerate each other and then to comprise offers them a chance for something more when they reach the end of their journey--if they can survive the obstacles along the way"--Page [4] of cover.
