Sommario/riassunto	Jim is a sixteen-year old boy coming to terms with the realization that he sexually assaulted two girls, and coping with the sexual abuse he suffered as a child. His father's cousin Delia has given him a chance at a new start, working in her art supply shop, and Jim tries to avoid anyone who might have learned of his crime. When he meets Manny, Jim can't accept the offer of friendship and tries to push him away.
