Swiss re and atomic reactor insurance / Lorraine Daston -- Natural catastrophes and their effects on reinsurance / Welf Werner -- Continuity and change in reinsurance 1990-2016 / Roman Lechner, Niels Viggo Haueter, and Lawrence Kenny. |
| Sommario/riassunto      | This publication traces the global development of reinsurance from the early 19th-century until today. It gives a detailed account of how the nature of risk itself changed over the last 200 years, and highlights all aspects relevant in shaping the industry including the development of risk, risk engineering and risk management, actuarial science, market   |

conditions, impacts of politics, and the effects of regulatory changes.
