Sommario/riassunto	Life is briefly as it should be for Jack McMorrow: He and his wife Roxanne have retreated from the stress and danger of their day jobs to raise their daughter Sophie. But when development and arson threaten the nearby town of Sanctuary, and a crazy accident brings back mistakes from Roxanne's past, Jack's nose for crime leads him into a darker and deeply twisted tale. Something explosive is smoldering beneath the glossy facades and picturesque town square in Sanctuary, and the enemy is closer than he thinks. In Once Burned, the tenth installment of the internationally popular McMorrow series, Jack will take you along as he hunts a killer with a long memory and a very short fuse.
