Sommario/riassunto	"Jockabeb, come here. I've found a door, but it's stuck and I need your help to open it." When two young brothers--Archibald and Jockabeb--find an old leather map hidden in the forest just beyond their backyard, they can't help but sneak out of the house one night to follow its path. So begins the first of the boys' adventures-- a journey that both amazes and frightens them. After a terrifying encounter with supernatural creatures, the boys meet a young Indian brave, Haktu, who shares with them the story of how he was separated from his tribe. The saga leads the two brothers into Haktu's secret world behind the forest mist and teaches them the power of friendship and loyalty in the face of untold evil.
