Sommario/riassunto	Live your faith. Share your faith. Many people are not? ashamed of their faith in Jesus. They are just scared to share it with others because the ways they have learned to "evangelize" feel forced and unnatural. Tell21 takes the fear out of telling others about Jesus. It makes sharing your faith simply about sharing the story of how Christ has become the hero of your heart and the Lord of your life. This three-week experience will give you confidence in your Christian life. You will discover your place in God's plot, and see your significance in his bigger plan. In just 21 days, you will develop daily habits of prayer, care, and share that will become a lifestyle God uses to change the lives of others. ?
