Nota di contenuto	; Introduction: A defense of R2P -- Atrocities in our time -- Legacies of empire, failures of will -- The promise of R2P -- The R2P imperative -- Much ado about nothing? -- A trojan horse? -- Double standards? -- Balancing humanitarian priorities -- Diplomacy, peacekeeping, and the distractions of protection -- Protecting responsibly.
Sommario/riassunto	The Responsibility to Protect (R2P) principle is the international community's major response to the problem of genocide and mass atrocities. Although far from perfect, this book argues that R2P offers the best chance we have of building an international community that works to prevent these crimes and protect vulnerable populations.
