Sommario/riassunto	"[This book] is a pivotal source of research for identifying new approaches for face-to-face communication, opportunities to create social bonding and social capital, and taking advantage of the full communication cycle. Featuring extensive coverage across a range of relevant perspectives and topics, such as social networking theory, conflict resolution, and interpersonal communications, this book is ideally designed for professionals, managers, researchers, students and academicians interested in perspectives on communication in the digital age"--Provided by publisher.
