Nota di contenuto	What does it mean to be transgender? -- Mental and emotional health -- Gender dysphoria -- Hormone replacement therapy and gender affirmation surgeries -- The pursuit of health and happiness.
Sommario/riassunto	This book explores the health issues encountered by transgender people, including mental and emotional health, gender dysphoria, hormone replacement therapy (including puberty-blocking hormones), gender affirmation surgery, and more. Also covered are the pros and cons of hormone therapy and gender reassignment surgery as well as barriers to health care that transgender people frequently face and advice on dealing with a health care system marked by cissexism.
