Sommario/riassunto	If it was possible to run as fast as a cheetah, would you? Or would you rather be able to fly? Readers are faced with this dilemma and many more in this book. Facts and true stories about each scenario help readers make tough choices as they read and envision what it might be like to be bitten by a great white shark or eat a scorpion. Full-color, up-close photographs engage readers' imaginations as they weigh the pros and cons of each choice, practicing decision-making skills useful beyond the pages of this book.
