Sommario/riassunto	If grandmothers ran the world, grandkids would always be within arms' reach. Even if we live right around the corner, our grown children and their children lead busy lives and "Grandma time" often isn't as long, or frequent, as we wish it could be. Off My Rocker and On My Knees helps make the most of the time we do have, together or apart, by helping draw us closer to God and our grandkids. Topics covered include faith, prayer, worry, playing favorites, how to keep from becoming a Nana Diva, and much more. Sprinkled throughout the encouragement are creative ideas on how to put our grandmotherly love into action. This devotional will inspire and encourage readers as they celebrate the

unparalleled blessings that being a grandmother brings.
