Sommario/riassunto	"Live a life worthy of the Lord and please him in every way...growing in the knowledge of God." --Colossians 1:10 NLTThis 365-day devotional communicates the truths of God's Word in a language your child will understand.Each reading contains a Scripture with a brief meditation and a prayer to help your child apply these and other profound truths to his or her life:I may not know what I'm good at yet, but I know I'm wonderfully made.How do I let God be my friend? I talk over absolutely everything with Him.The more I get to know Jesus, the clearer my picture of God will be.The most important thing is not getting my own way, but letting God have his way.Help the special child in your life start and end each day with God
