Sommario/riassunto

This memoir by General Heinz Guderian, 'Panzer Leader,' provides a detailed account of his pivotal role in developing Germany's panzer forces and blitzkrieg tactics during World War II. Guderian recounts his innovative military strategies and the challenges he faced from both superiors and political leaders, including Adolf Hitler. The book offers insights into the internal dynamics of the German military and the impact of its early victories, which ultimately led to Germany's downfall. Guderian's reflections reveal his professional dedication and the complexities of military service, underscoring his contributions to military history. Intended for military historians and readers interested in World War II, the book presents a candid and comprehensive perspective on the war from the German side.
