Sommario/riassunto	<p>When Chase and Raylan first meet, the attraction is instant ... but they both have secrets that could keep them apart. Can they find a way to trust each other, or will the fire burn out before it has time blaze?</p> <p>Megan Slayer presents Trust and Consent Book 1 of her intensely passionate, contemporary series, Trust. A photographer and a musician find love in a blissful, tangled way...Raylan Greene never expected the guy next to him in American History class to be so hot. Then again, he wasn't looking for a relationship either. But this photographer knows a good subject when he sees one. The blond-haired guy with the sad eyes captivates him. The trouble is Raylan's into rope bondage and he needs that special someone to be his partner. A tall order, indeed.</p> <p>Chase Tate can't take his eyes off Raylan. When they're together, even if only in class, the words and tunes to songs fill his brain. He's found his muse--if only he can grab Raylan's attention. He's scared his past and the secrets he's kept buried will drive Raylan away. Will Raylan be able to accept Chase despite the issues in his past? Will Chase run once he finds out about Raylan's fetish? Or will these two scorch the sheets and find a love to last a lifetime?</p> <p>Content Notes: Intense, Anal Play, Anal Intercourse, D/s Elements, Lifestyle, Sexual Fetish, Spanking, GLBT, BDSM, M/M, Contemporary, Musicians</p>
