Sommario/riassunto	<p>Re-release: (2003-ImaJinn Books, 2008-Ellora's Cave, 2013-print) A cursed island may not be the best place to start a new job. Roxanne's business is looking up. Her new contract with a reclusive millionaire is just what she needs to save her business. But a sudden storm leaves her stranded on a private island where her handsome and charming host is hiding a sinister secret. Witch Island by Stephanie Bedwell-Grime will keep you on the edge of your seat as Roxanne is plunged into a dangerous and mysterious world where nothing is as it seems. Roxanne Gerik's business is facing bankruptcy. When reclusive millionaire Aidan Nevan throws her a lifeline—one hundred thousand dollars for private computer tutoring—it seems like the perfect solution to her problems. But there's a catch—she must travel to his private island. The late November season makes travel perilous. A storm blows in when they are halfway across the lake. The storm knocks out phones, electricity, and the dock, stranding her. To Roxanne's surprise, her host is not the stuffy old man she expected. Instead, he appears to be young, handsome, and charming. Despite her apprehension, Roxanne finds herself drawn to Aidan. Still, she suspects he's hiding something sinister. Strange creatures wander the woods of his island. The trees seem intent on harming her. As the unnatural storm grows</p>

worse, she worries neither of them will last until morning. Content  
Notes: Spicy, Contemporary, Fantasy, Gothic, Paranormal, Adult Fairy
