Sommario/riassunto	<p>From #1 New York Times bestselling author, Victoria Alexander, her first novel, the classic time-traveling romance is back ... An innocent trip to London leads to a voyage through time ... will it lead to a 'forever after' love? Find out in a charming, emotional, passionate novel by #1 New York Times bestselling author, Victoria Alexander. Searching for her life's direction, artist Maggie Masterson takes a trip to England, where a seemingly ordinary carriage ride on a foggy night leads to an extraordinary destination--Regency London of Jane Austen, in all its splendor! Aristocratic Adam Coleridge is too busy trying to find a husband for his rebellious sister to spend time on his own love life ... until Fate drops a dazed Maggie at his feet; and he discovers the woman who at first seems a nightmare may just be the woman of his dreams. But can they battle time itself to spend forever, together?!</p>
