Sommario/riassunto	<p>The weather outside is frightful, but the romance is so delightful in Cedar Glen! Vivienne Ross is a cat shifter who's still learning about the ways of the paranormal. Adopted as an infant, she didn't know about her true lineage until much later in life. Sometimes she finds herself in a bit of a mess as she works out the kinks. Like looking out from the inside of a dog crate on her way to be spayed. Naked. EEEK! She meets Jagger Dubrov, hot bear-shifter and Cedar Glen's local mobile veterinarian, for the first time during a catch and release program. Jagger mistakenly catches Viv, and it's all-out fireworks at first sight. As Viv and Jagger get to know their new town and each other over eggnog and mistletoe, a problem lurks. Someone wants Jagger dead, and they don't mind if they take Viv to the grave with him... Moves Like Jagger, the eagerly anticipated 4th book in the Wolf Mates series by USA Today bestselling paranormal romantic comedy author Dakota Cassidy, is here. Return to Cedar Glen with a laugh-out-loud cast of characters as Jagger the bear and Vivienne the cat come together to solve the mystery of who wants to turn Jagger into a bear rug! Love is in the air and danger is on the horizon in this holiday romp in the woods.
