|                         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| Sommario/riassunto      | The Bear Witch Project is an action packed mystery that will have you on the edge of your seat. With scorching love scenes, this BBW paranormal shifter romance will have you begging for air conditioning...it's that hot! Book 2 of Midnight Shifters by USA Today bestselling paranormal romance author Renee George is sure to be a favorite addition to your romance library. What happens when a curvy witch finds herself in bear territory? Solange Tremaine is about to find out, thanks to bear shifter Ty Wasape. Ty knows bears and witches are natural enemies, but Solange Tremaine may be his undoing. Torn between the need to kill her and the desire to make her his mate, Ty struggles for control. Together, Ty and Solange will need their combined strengths and talents to overcome the myriad of obstacles lining the path to their happiness. This paranormal romance contains shifters, BBW, Native Americans, and scorching love scenes. The Bear Witch Project is not intended for readers under the age of 18.
