Sommario/riassunto	Todd Nelson and Tucker Thompson both know what it's like to feel abandoned, lonely, and afraid. Now in their early twenties, they are sharing an apartment, and working at The Other Team Sports Bar and Grill. Welcome to the best little gay bar in the Midwest, where mixology meets biology and it's pure chemistry. USA Today bestselling GLBT romance author Renee George, writing as G.R. George invites you to The Other Team Sports Bar and Grill, in Book 2 of The Other Team series. The Hot Toddy is a contemporary, gay romance that will keep you turning the pages. Tuck avoids hook-ups while Todd constantly indulges in one-night-stands. Watching Todd go through a string of conquests in their home is brutal on Tuck, who wants Todd all for himself. What he doesn't realize is that Todd has strong feelings for him, too. Tuck has always trusted Todd to have his back, but can he trust him with his heart? This GLBT short contemporary romance contains explicit male/male content and is not intended for readers under the age of 18. The Other Team series was originally called the CockTails series.
