When rodeo clown Brandt Collins is forced into retirement by an injury in the arena, he heads to long-time friend Kaden Slater's hometown to settle down. As far as he's concerned, if that old flame ignites into a wildfire, then all the better. Kaden is glad to see Brandt, but a little complication in the form of Kaden's new assistant, Mike, throws a wrench in all their plans. Sexy, smart and young, Mike wants Kaden more than he wants his next breath. Soon, misunderstandings and the past conspire to tear the trio apart before they've even begun. And now it's their choices that will determine who finds love-and who

doesn't.
