| Sommario/riassunto | A Prank or a Crime of Passion? "What is the meaning of it, Watson? said Holmes solemnly as he laid down the paper. What object is served by this circle of misery and violence and fear? It must tend to some end, or |

else our universe is ruled by chance, which is unthinkable. But what end? There is the great standing perennial problem to which human reason is as far from an answer as ever." - Arthur Conan Doyle, *The Adventure of the Cardboard Box*

Sherlock Holmes is up to something. He doesn't believe Inspector Lestrade's story that Miss Susan Cushing is a victim of a prank. She received a parcel with two human ears packed in a coarse salt. And what about the precarious cuts? Or the writing and the spelling correction from the parcel? Doesn't these clues suggest something more than a prank made by a bunch of medical students? This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This eBook also contains a bonus book club leadership guide and discussion questions. We hope you'll share this book with your friends, neighbors and colleagues and can't wait to hear what you have to say about it. Xist Publishing is a digital-first publisher. Xist Publishing creates books for the touchscreen generation and is dedicated to helping everyone develop a lifetime love of reading, no matter what form it takes
