| Sommario/riassunto | A story about making dreams come true. To desire a thing, and to have it, are synonymous terms with the great people of the American Republic. In this SF novel, a sequel to From the Earth to the Moon, Verne's three travelers almost make it to the moon, flying around it in a homemade projectile. This book has been professionally formatted for e-readers and contains a bonus book club leadership guide and discussion questions. We hope you'll share this book with your friends, neighbors and colleagues and can't wait to hear what you have to say about it. |
