Sommario/riassunto	Life at home has become awkward since Brendan told his parents he's gay. Relief comes when his cousin gets him a job at a nearby lake resort for the summer. Happy to get away, he plans to give his parents space while saving money for his college fund and hanging out with his cousin Tracey, the only other person he's out to. Turns out Tobin, a boy from school Brendan has a crush on, is also working there for the summer, and the two of them have been assigned to share a room. Brendan's nervous reaction doesn't get the summer off to the best start. Now, not only does Brendan have to fix his relationship with his parents, he has to figure out a way to make things right with Tobin too.
