Sommario/riassunto	<p>Is the possibility of fulfilling your heart's desire worth the risk of breaking it? Fourteen-year-old Linus Lightman is understandably reluctant to trust his newest foster family, the Nelsons, after he's bounced through the system since being taken from his neglectful mother. He's certain they will reject him when they find out he's gay, and getting to know them will only lead to hurt later. Trying to cope, he builds a friendship with Kevin Mapleton, and it quickly grows into romance, despite Linus's fears. Then a video of Linus and Kevin having sex is posted online, and Linus knows from past experience exactly what's going to happen. This sort of scandal will cost him his new home and Kevin's love, snatching away his fragile hopes of belonging.</p>
