Sommario/riassunto	Calling Anthony Parker: Book TwoPeter Fritz has developed a morbid streak during the school break, and Anthony Parker and his best friend Rafe wonder why. They soon learn Peter met a boy named Luke on the Internet, and Peter and Luke had an online relationship before Luke died of AIDS.Parker and Rafe turn to the Internet to learn more about Luke. There, they find many more questions than answers about their friend's online relationship--and Luke himself.
