Sommario/riassunto	<p>Residing on a Peninsula beside the beautiful Pacific coastline in Queensland, Australia, Dr Ariana Ross decides to leave her past history behind and forge a fresh start. Her journey takes her to a medical practice in an Outback country town, where her impact on many - brings surprises. Passions explode when she meets Zane Lombardi, one hunk of gorgeous Italian male. Zane is a Christian and an enterprising Apple Orchard owner. He is also strongly adverse to the wiles of designing women. Being hurt in the past he is certain to never be trapped again. On meeting Ariana his animosity and rudeness causes angry sparks to fly. He soon realises his mistaken judgement of this beautiful young woman. Having second thoughts he wants to make amends? But- has irreversible damage been done? The amazing phenomenon surrounding the spirited Ariana is that two Angels attend her. As her protectors and guides she is constantly aware of them. Taught to have a faith in God from an early age has strengthened this amazing young woman to build a professional career for herself. She finds pleasure in healing and helping all who come within contact. Secrets buried in the family closet constantly haunt Doctor Ross. What is the mysterious cover up about her parents demise and why?</p>
