Sommario/riassunto	Arthur the Kintwonk is a story about a reluctant Kintwonk, an ancient race from outer space, who is deemed to be the next King of the Kintwonks. His quest is to take a bag of rubies to the hall of the Mountain Fring. He is weylead by skullduggers, Pirates, Pimps and a host of other Neer do wells. He is aided and abetted by a host of friends from Mother Earth and Outer Space. Failure to succeed would change the world and doom Mankind forever.
