Sommario/riassunto	<p>After their broken engagement, there's only one thing that can get unbeatable crime-solvers Julie West and Reverend James Burton back into action--the murder of a beloved friend.No one can figure out who would have a motive to kill Twila Belk, who was a saint by all accounts. Paying for a cruise to Antarctica for 48 of her "closest friends" was just one of many generous gifts she bestowed upon those around her. When the body of the benefactress is discovered on Brown Bluff Island, Julie and James must set their past aside to bring the killer to justice and along the way, perhaps, uncover a new beginning for themselves. Note: This is a previously published work. For readers who purchased the original edition, this second edition is not substantially different.</p>
