Sommario/riassunto	<p>Best laid plans...are meant to be broken.Life laid out, Tessa had everything set. Engaged to marry the perfect man, a rich, great-looking doctor, she was content with her life, or so she thought. Then the gift arrived. Delivered to her office on Valentine's Day, it was filled with handcuffs, sexy little toys and a suggestive little card.It wasn't from her fiance, either.When the emails and the phone started coming, she should have been able to brush them off, except the man said something that left her uneasy...and not because he scared her, but because he was right. Your fiance will never make you happy, Tessa. Confused, she starts looking at her fiance, her life...and other things... in a whole new light. One of the things she finds herself considering is her best friend and neighbor, Caleb. He's always been there. Even when he spent years in the Navy, Caleb was the one she could count on and now isn't any different. He's there to listen when she needs an ear and he's got nice, strong shoulders when she needs one to lean on.It doesn't her long to realize that one thing is certain--her fiance can't make her happy. But now she doesn't know whether she wants to take a chance on her sexy secret admirer...or Caleb, the man who's been there waiting for her all along.It includes a short bonus story called Don't Walk Away. Seduced in Secret was previously published as Whipped Cream and Handcuffs. It has been extensively rewritten,</p>

revised and expanded.
