Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	'Before the Windrush' is a fascinating study that enriches our understanding of how the empire 'came home'. By drawing attention to Liverpool's mixed population in the first half of the 20th century and its approach to race relations, it provides historical context and perspective to debates about Britain's experience of empire in the 20th century.
