ISBN	1-5107-0655-0
Descrizione fisica	1 online resource (192 p.)
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	<p>Living as a carpenter who had spent time working in a watch factory, Georg Elser was just an ordinary member of society living in Munich. That is, however, until he took it upon himself to attempt to assassinate the Fuhrer, Adolph Hitler. Being a common man who opposed the Nazi regime, Elser took his skills that he had learned, and worked to assemble his own bomb detonator. Every night, he would head to the Munich Beer Hall, where he would work on assembling the bomb that he planned to kill Hitler with, in a hollowed out space near the speaker's podium. The bomb went off successfully, killing eight people. Hitler was not one of them. This is the story, scene by scene, of the events that led up to Georg Elser taking justice into his own hands, his attempt to murder the Fuhrer, and what happened after the bomb went off. The Lone Assassin is a powerfully gripping tale that places you in 1939, as you follow Elser from the Munich Beer Hall, across the border, and sadly, to the concentration camp, where his heroic life ended. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more.</p>

While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
