Livello bibliografico	Monografia
Sommario/riassunto	<p>In this haunting and hypnotizing novel, a young woman loses everything--half of her body, her fianc , and possibly her unborn child--to a terrible apartment fire. While recovering from the trauma, she discovers a photo album inhabited by a predatory ghost who promises to make her whole again, all while slowly consuming her from the inside out. Damien Angelica Walters' work has appeared or is forthcoming in Year's Best Weird Fiction Volume One, Nightmare, Strange Horizons, Lightspeed, Shimmer, Apex, and Glitter & Mayhem. She was an associate editor of the Hugo Award-winning Electric Velocipede.</p>
